

# Robin Wolfe

**Robin Wolfe** is the Co-Founder of Almost Home Ministries, a faith-based residential recovery program for women seeking freedom from the strongholds that have shaped their lives. With a heart rooted deeply in restoration, Robin is passionate about helping women encounter Jesus, discover their identity in Christ, and walk confidently in the hope He offers.

Having experienced the restoring power of Jesus personally, Robin leads from a place of authenticity and compassion. She founded Almost Home to create a safe space where women can experience love, acceptance, accountability, and true transformation. Her life stands as a testimony that no story is beyond God's redemption.

Robin regularly leads worship and prayer services both within Almost Home Ministries and in local congregations. Her greatest desire is simple: that when people hear her speak or sing, they see Jesus. To know Robin is to experience her deep love for God and her unwavering belief in the power of restoration.

Above all, Robin treasures being a mother to her daughter, Abbey, and cherishes every moment they share. She also deeply values time spent with her family and loved ones, finding joy and strength in the relationships that mean the most to her.
